EDITOR'S LETTER

There's no two ways about it – spring has most definitely sprung, which means that traditionally a young man's fancy turns to thoughts of love. But hey – here at *Mayfair* we don't confine ourselves to young readers, and besides, thanks to our constant supply of lovelies our thoughts are pretty constantly directed in that area all year round! Still, just to show we're making an extra effort this season, we've got now fewer than four debutantes this issue whose coming out is a joy to behold!

LOVER, MY WIFE

Dear *Mayfair*,
I met Tania at college and, although we've been together ever since (over nine years), we've only been married for just under three years. She's my best mate and I couldn't wish for a better partner. We've got so much in common and she totally gets me in every way. She's even understanding about my need for a bit of variety in my sex life, something I never thought she would be until I broached the subject last year. When I say variety, I should clarify – we've always been experimental, but I have never mentioned the urge to bring another person into our bedroom before, which I have had since we got together nearly a decade ago. I thought she would be appalled and upset with me, but she was completely up for it, much to my surprise.

Tania has always had an amazing body, with lovely big tits and fantastic long legs that seem to go on for miles – especially when they're wrapped around my waist while I'm fucking her. Unsurprisingly, guys are always eyeing her up and it makes me feel smug and proud to have such a stunner on my arm. And I have to admit that I get really turned on when other guys take an interest in my wife.

As I said, we've always been pretty adventurous when it comes to our sex life: shagging in places we might get caught, videoing and taking photos of ourselves in action and role-playing have all been part of our sexual antics over the last decade. But it wasn't until we got drunk last year and I confessed that I'd like to see her

> "I PUMPED MY RIGID PRICK IN AND OUT OF HER SODDEN PUSSY, BOTH JEALOUS AND EXTREMELY AROUSED."

getting fucked by another guy that things started to become really interesting for me.

As we fucked a couple of hours after my admission, Tania started to tease me, getting me even hornier by suggesting friends of mine that she would be happy to invite into our bed – naming more and more names as I pumped my rigid prick in and out of her sodden pussy, both jealous and extremely aroused as my wife listed the mates of mine that she fancied.

For a while after that night, we discussed having a go at the dogging craze – both of us realizing that involving someone we knew might not be the wisest idea in the long run – but decided it wasn't really for us, so Tania came up with the idea of simply advertising on a contact website for a man to fuck her while I watched, or even filmed the event.

It was horny enough just going through the email replies and photos from all the men who responded to the advert we placed, which included a photo of Tania in black stockings, heels and a mini skirt on all-fours on our bed, her shaven pussy on display and her tits bulging out of her lacy bra.

Tania selected a guy Mike as a likely candidate, as his photo showed that he kept himself in shape, had a nice smile and a very thick seven-inch dick.

A week later we met this Mike at a pub in town, and by the way Tania was flirting with him, I knew we'd made the right choice.

BOB'S A GOOD 'UN!

Dear *Mayfair*,
Just wanted to drop you a quick line to say what a great magazine Mayfair is – it is still the top of the top shelf collection, with girls like the lovely Beth (52.04) guaranteeing I keep coming back month after month. My cock was soon rock hard when I saw the last picture of her, teasingly holding her pussy open for us! Also I have to mention the wonderful Chloe with her delicious bum up in the air for us to admire, as well as Bexie and Cara, posing with her legs up and showing off her lovely pussy! And then there's Simone with her lovely hairy pussy – perhaps you could find a nice redhead to show off her ginger minge some time soon?

Anyway, keep up the good work!
Bob, Norfolk.

BROOKE-R PRIZE!

Dear *Mayfair*,
Well, you've only gone and done it again, unearthing another rare beauty to feature in your peerless magazine. I'm talking, of course, about the delectable Brooke, who quite rightly features on the cover of your latest issue. Rest assured, I certainly did have a good 'Brooke' at the pictures of her inside, spending an especially long time admiring her centrespread pic, in which she reclines, hair tousled and clearly just begging for a male companion to join her on that couch and worship at the alter of her exquisite body! Truly exceptional, and worthy to stand alongside other recent newbies like Danni Harwood, Kerrie Lee and Jada Cameo! I can't wait to see who else you might have up your sleeves for 2017.
Mark, Cheltenham.

Mike was fine with me filming them and wasted no time in getting better acquainted with my wife, snogging her passionately in the taxi-ride home. My cock was as stiff as a board as I watched them kiss and, as he ran his hand up her stockinged thigh, I couldn't wait to get out the camera and film them getting down to some full-on action.

I left them for a few minutes while I fixed us all a drink and when I returned to the lounge, Mike had already unbuttoned Tania's blouse and was gently stroking one of her tits through her black satin bra. Luckily, I had gotten my faithful camcorder ready before we went out, and I positioned myself by the door so that I could get both of them in shot. Tania smiled at me and slowly unbuttoned Mike's jeans before reaching inside and dragging out his semi-stiff prick. I zoomed in on her hand as it gripped his shaft, wanking him until his cock was as solid as mine. Then I zoomed out just in time to film Tania's long black hair cascade over the guy's crotch as she parted her bright red lips and sucked the shiny tip of his rod into her wet mouth.

She looked straight into the camera as she slurped on the tool, wrapping her tongue around the girth as it penetrated to the back of her throat. I moved around the sofa and filmed Tania as she spread her legs so that Mike could grope her pussy from behind. He slipped two fingers straight inside her dripping pussy and turned them inside the tight passage, making Tania squirm. Through the camera's screen I could already see my wife's juices glistening on Mike's palm as he slowly plunged in and out of her, smearing her pussy cream all around the entrance to her snatch and onto the soft tops of her thighs.

Smiling up at me, Tania let his fat cock slip free from her mouth and, pulling out the two fingers that were embedded in her snatch, she straddled Mike's lap. She lowered herself slowly onto his twitching meat as I zoomed in for a close-up of the tip disappearing into the soft folds of her twat. Tania pushed her lovely boobs into his face and my dick throbbed as he noisily chewed on her nipples, slobbering all over her tits as he squashed them together, cramming as much of the smooth flesh into his mouth as he could while she rode his fat prick rhythmically.

I walked around them, filming all the while, as my wife bounced up and down, faster and faster on this guy's dick. I desperately wanted to join in but that hadn't been part of the agreement, so I waited impatiently for Mike to shoot his load and then disappear.

It turned out that I actually didn't have to wait long, as, with a loud grunt then a yell, his whole body tensed and he emptied his balls deep inside her. My final shot was of Tania lifting herself clear as a trickle of thick white spunk dribbling from her gash and over his softening cock.

After tidying himself up and knocking back a farewell drink, Mike left and I wasted no time in screening our new porno while I screwed Tania from behind in front of the TV. Tania came all over my cock as I added my mess to the spunk already squelching inside her gorgeous pussy.

We've watched the film quite a few times now, and are eager to build a collection of similar horny episodes. I love being able to watch my wife fucking other men, and Tania knows it pleases me so we're both happy. You never know, I might well be seeing some of your readers through my camera screen, too, very soon!
John, Camberwell.

"SHE LOWERED HERSELF SLOWLY ONTO HIS TWITCHING MEAT AS I ZOOMED IN FOR A CLOSE-UP."

LAV, ACTUALLY

Dear *Mayfair*,
I recently split up with my ex-girlfriend because she wasn't giving me enough action in the bedroom. My intention was to play the field for a bit and catch up on all the fun I'd been missing out on.

This didn't quite go to plan when I met the girl who is now my current girlfriend, Rachel. She's 23 years old, with mousy blonde hair, gorgeous blue eyes and a figure that would make most blokes come instantly.

It all started as these things do with a bit of flirting in the pub. When I found myself sat with her one Saturday night I decided to try my luck. When we had a quiet moment together I asked her if she fancied coming back to mine to watch a DVD and neck a few more drinks. Being a total pessimist imagine my surprise when she replied, "I'd love to, babe!"

Back at mine I opened a bottle of wine and sat down next to Rachel on the sofa and we carried on our chatting. She explained to me that her ex-boyfriend had been a total arsehole with her.

"That's stupid," I replied. "I mean, why would he want to do that when he had a girlfriend as gorgeous as you?"

I felt I was pushing my luck but Rachel just blushed and we carried on chatting. I don't know if it was the booze affecting my judgement but I could tell she was interested by the way she kept brushing her silky hair back. After finishing her fifth glass of wine she got up and apologised as she needed the bathroom.

"It goes straight through me," she

We'd assumed that Jada Cameo must have been a big fan of the 80's funk outfit and took her modelling name in tribute to them, but then it's just occurred to us that she wasn't even born until several years after the mid-80s heyday of Larry Blackmon & co! So what's the story?

"Well, it's sort of related to the band Cameo," she admits, "but only because the nightclub I used to go to when I was younger was named Cameo after the group, I think, and it was there that I popped my cherry one particularly memorable night!"

Ah, well that kind of makes sense. And we bet it was a memorable night for the lucky felly!

"I guess so, although I never saw him again. Happy times!"

GLASGOW MISS

Dear *Mayfair*,
Following your letter last month from someone whose colleague spent the weekend in Emmer Green, you might be interested to know that I spent my first 12 years or so in Penilee – a housing estate near Glasgow (sadly) not to be confused with the similar sounding model. It's not the poshest of places, but if Penny herself fancies a guided tour of the place, I'd be more than happy to volunteer!
Alan, Edinburgh.
Thanks for the offer, Alan - we'll pass on the offer, but don't hold your breath - Ed.

added as she walked across the room, her gorgeous arse and hips swaying from side to side almost hypnotising me.

Twenty minutes had passed and I feared Rachel had sneaked out the front door (told you I was a pessimist!) so I called up to the bathroom from the bottom of the stairs.

"Rachel, are you OK? It's just you've been gone a while and the wine is getting warm!"

"Yeah, sorry," she replied, "I'm just a bit pissed, that's all!"

I breathed a sigh of relief and was about to return to my seat when she added, "actually, could you come up here a second, I need a hand with something."

I went up the stairs as the bathroom door burst open and there stood Rachel in her full naked glory. She was already tweaking her nipples that were perfectly mounted on her pert little tits and her hand slid down to her neatly trimmed mound where she started rubbing her swollen pussy lips.

Without any hesitation she grabbed me by my belt and dragged me into the bathroom, pushing me against the back of the door. She pressed her fanny hard against my stiff cock and said, "I want to feel that bulge of yours inside me."

With that she ripped my clothes off like some kind of animal then I spun her round so she was bent over the edge of the bath. I grabbed my cock by its base and slid it in inch by inch. She was already dripping wet as I began to bang away at her gorgeous silky snatch, squeezing her tight little arse with one hand and massaging her tits with the other. Within seconds she had climaxed and screamed as an orgasm

> "SHE PRESSED HER FANNY HARD AGAINST MY STIFF COCK AND SAID, 'I WANT TO FEEL THAT BULGE OF YOURS INSIDE ME.'"

rippled through her body spilling her warm sticky juices all over my cock and down the insides of her toned thighs.

"Sorry," she panted. "I have been waiting for you to do that to me for fucking hours."

She grabbed my cock and slid it slowly out of her sodden gash.

"Now it's your turn. I'm going to milk every last drop of spunk out of your meaty cock," and with that she hungrily stuffed my whole seven and a half inches into her mouth, making lovely slurping noises and cupping my balls as she let me fuck her mouth. After a couple of minutes of doing this I could take no more and I felt my balls tighten as I shot gallons of spunk down her throat.

Rachel rubbed my warm sticky jism into her breast, licking her fingers clean after. I then told her to lie down on her back and spread her legs as wide as she could. I licked the entire length of her wet slit, which made her shudder with delight, and spread her lips to expose her swollen clit.

I sucked at her nub while plunging two fingers in and out of her fanny. This obviously sent her over the edge again because within minutes she was gripping my head and screaming, "Don't stop! I'm coming!" before bucking her hips and screaming out for the second time as another orgasm waved through her.

By this time my cock was hard again and aching to fuck her soft pussy lips. The sight of her there legs akimbo was an offer I couldn't refuse so I mounted her and pumped away like a dog on heat. All the time Rachel was screaming at me, "Go on! Fuck me as hard as you can you bastard!"

When I could feel the tides of my hot jism rising again, I pulled my cock out and wanked slowly over her snatch, shooting my cream all over her fanny and belly.

Needless to say, after that particular episode we started seeing more of each other and have shared many a sexually explosive night together.

Hang on a sec – have I not this very morning just typed in a letter from a reader who was craving a bit of, er, ginger down below? Well blow me down if we hadn't inadvertently lined some up for him, courtesy of Midlands-based newbie Jessica Rose here!

"Yes, it's funny, but there are plenty of guys out there who go crazy for a girl with ginger pubes! I'm not sure what it is, but I'm certainly not complaining. I've known a couple of guys who insist they taste better, which sounds a bit far-fetched to me – but if it means they're eating me out for longer, then everyone's a winner, aren't they?"

We guess so. Er, perhaps we could have a little taste then, just to see...?

'F' IS FOR FASTER!

There's plenty of life in the old cat yet - and their latest release looks to be just our type...

Hold on to your hats, Jaguar has announced the fastest F-Type ever with the new all-wheel drive SVR. Featuring the latest evolution of Jaguar's 5.0-litre supercharged V8 engine, the SVR delivers the ultimate in performance, propelling it from 0-60mph in just 3.5 seconds, topping out at 200mph in the coupe and 195mph in the convertible.

To make the most of this engine output, the SVR's eight-speed Quickshift transmission gains a new calibration. Together with the extra grip delivered by the wider, 265- and 305-section front and rear tyres, and optimising the all-wheel drive system's Intelligent Driveline Dynamics (IDD) control technology, the F-Type SVR boasts outstanding launch behaviour and responsiveness. The changes to IDD and powertrain and driveline are matched by the modifications made to the chassis. Designed to take the SVR's dynamic capability to the next level and deliver ultimate chassis agility, precision, control and response, the changes nevertheless preserve the F-Type's ride quality and duality of character - day-to-day usability and comfort have not been compromised.

The F-Type's aluminium double wishbone front and rear suspension and state-of-the-art electric power-assisted steering (EPAS) system gave the SVO team the best possible starting point for developing the SVR's vehicle dynamics. The fact that the SVR is 25kg lighter as standard than the AWD F-Type R - and 50kg lighter with options including the Carbon Ceramic Matrix brake system and carbon fibre discs, the F-Type SVR can also be specified with Jaguar's Carbon Ceramic Matrix (CCM) braking system. Featuring even larger 398mm and 380mm discs and six- and four-piston monobloc calipers, this system delivers exceptional braking performance with outstanding fade resistance.

The effort made in developing the chassis was more than matched by the work done on the F-Type SVR's aerodynamics. Asked to solve the often conflicting requirements of reducing drag and reducing lift, the SVO team designed a full suite of features which work together to improve dynamics, stability, performance and efficiency. To cut drag, the front bumper was extended outboard to mask as much of the wheels as possible. This also helps the airflow to remain attached to the sides of the car, reducing drag still further. The front valance and front undertray also contribute to drag reduction but do much more to improve engine cooling. The louvre design of the new bonnet vents uses the flow of air over the bonnet to extract more hot air from the engine compartment. Apertures in the wheelarch liners help the high pressure air to escape through the fender vents, helping to reduce front-end lift. An under-floor tray beneath the rear suspension accelerates the airflow, reducing pressure and therefore reducing lift. Aerodynamics are further enhanced by the rear venturi. Integrating this feature was only possible because of the design of the lightweight titanium and Inconel exhaust system: using two individual rear silencers instead of a single transverse silencer enabled the venturi to be neatly packaged between them.

> THE CHANGES PRESERVE THE F-TYPE'S RIDE QUALITY AND DUALITY OF CHARACTER.

But the single most effective device developed for the F-Type SVR is its deployable rear wing: the highly optimised design is more effective and more aerodynamically-efficient in both raised and lowered and positions. With the car in Normal mode, the wing deploys once vehicle speed reaches 60mph and 70mph for the Convertible and Coupé respectively. The wing will also deploy automatically whenever the driver selects Dynamic mode. In this raised position, the wing, together with the other aerodynamic enhancements, enables a reduction in the F-Type SVR's drag and lift coefficients of 2.5 per cent and 15 per cent respectively compared to the F-Type R with spoiler deployed. When the SVR's wing is lowered, the corresponding improvements are 7.5 per cent and 45 per cent.

Exterior design options to complement the carbon fibre rear wing include a matching roof panel and a pack comprising the front chin section, bonnet louvres, fender vent ingots and door mirror caps.

refinements to the rear electronic active differential (EAD) ensure optimum torque distribution between the front and rear axles and across the rear axle. Combined with a unique calibration for the Dynamic Stability Control (DSC) system, this enhances traction and dynamics - on all surfaces and in all weathers - while preserving the F-Type SVR's rear-wheel drive character and handling balance.

Selecting Dynamic mode will enable the enthusiast driver to fully explore the F-Type SVR's capability, especially with the DSC system set to TracDSC or switched off completely. Under these conditions, IDD will use the most extreme calibrations for the AWD system and for the EAD to fully exploit the available grip.

The enhancements made to the roof - brings immediate benefits in terms of handling. Optimised aerodynamics produce further gains: the rear wing delivers reductions in lift whether in the raised or lowered position. These fundamental improvements are matched by a raft of other hardware and software changes designed to extract the full potential from every part of the chassis. The rear anti-roll bar is thicker. The valves inside the continuously-variable dampers have been revised and the control software - the heart of Jaguar's Adaptive Dynamics system - has been recalibrated. The overall effect is that both low speed comfort and high speed control are improved.

Fitted as standard with Jaguar's Super Performance braking system featuring large, 380mm and 376mm front and rear brake

"A FULL SUITE OF FEATURES... WORK TOGETHER TO IMPROVE DYNAMICS, STABILITY, PERFORMANCE AND EFFICIENCY."

A bespoke interior, characterised by exquisite detailing and infotainment systems which support the latest wearable technology, make the F-Type SVR even more desirable. The cabin gains cosseting 14-way SVR Performance seats finished in Jet black leather with a distinctive Lozenge Quilt pattern, contrast stitching and micro-piping and headrests embossed with the SVR logo. Customers also have the option of Siena Tan or Red leather. The SVR Jet black leather and optional Jet black leather and suedecloth steering wheels feature black painted spoke outers and contrast stitching in a range of four colours. The unique anodised aluminium shift paddles are larger than those in other F-Type models to make changing gear even more instinctive.

The driver-focused theme of the 'one-plus-one' layout is enhanced with a suedecloth covering for the instrument cluster and centre console. Buyers who select the Siena Tan or Red leather interiors benefit from full leather wrapping of the instrument panel.

The InControl Touch and InControl Touch Plus infotainment systems feature eight-inch capacitive touchscreens, intuitive user interfaces and crisp 3D map displays and offer 380W Meridian and 770W Meridian surround sound audio systems respectively.

Partnering the InControl Remote app for iOS smartphones is a companion app developed for the Apple Watch. Using this device, drivers can lock and unlock the doors, check key information such as fuel level or mileage, and locate the car on a map. Not that you'd ever want to leave this baby out of sight, frankly.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

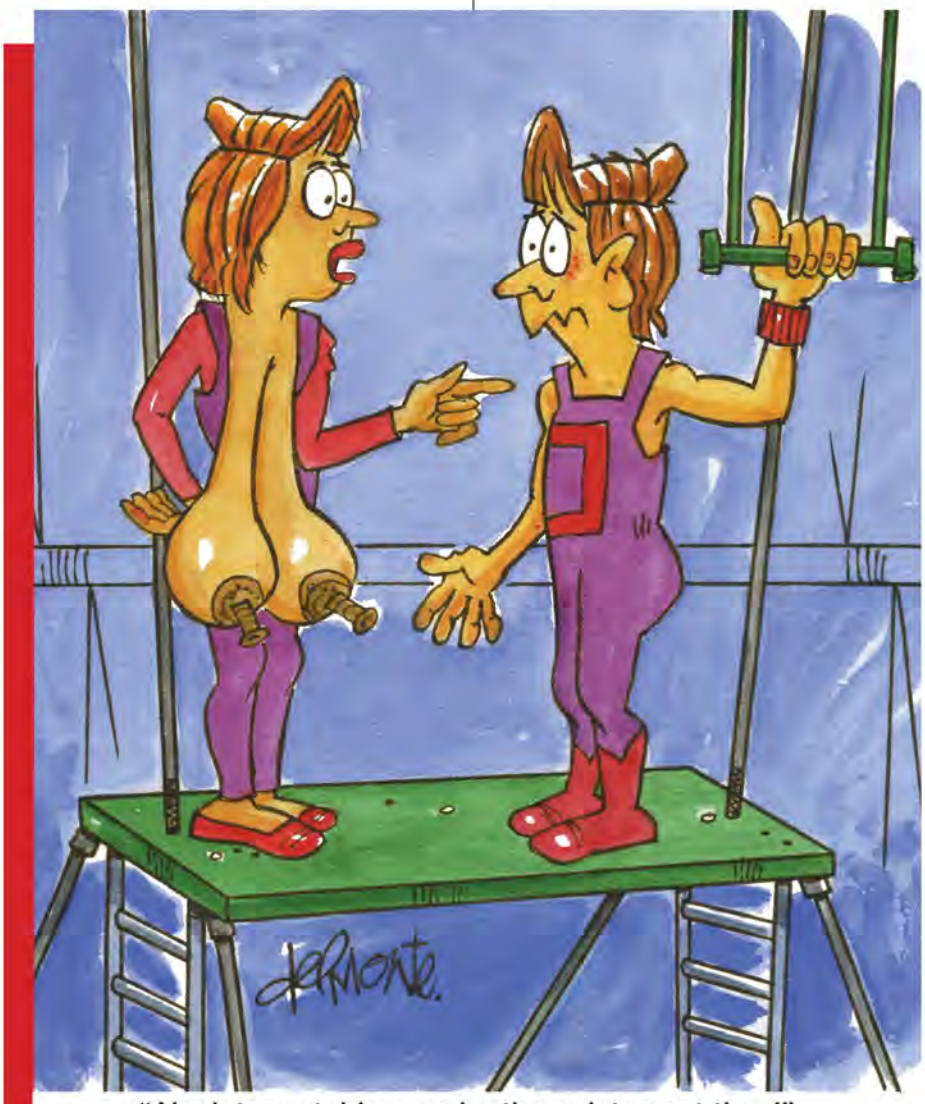
A wife comes home unexpectedly and finds her husband in bed with a gorgeous young bird. She's about to storm out in disgust when her husband tries to explain.

"Darling, this isn't my fault. I found this poor, hungry girl thumbing a lift, so I brought her home and gave her some of that shepherd's pie in the fridge that you'd forgotten about. Then I noticed the shoes on her feet had worn through, so I gave her that pair I bought you, the ones you've hardly ever worn. Then she started shivering, so I gave her that sweatshirt you didn't like the colour of. Then the coat she was wearing was drenched, so I gave her the one you kept saying you were going to throw out."

The wife is puzzled and angry.

"And what the fuck does this have to do with shagging her?

"Well, she asked if there was anything else my wife didn't use any more..."



"Alexi, try catching me by the wrists next time!"

Dave owned a small business and employed two good workers, Jack and Jenny. But the business wasn't doing well and Dave knew he would have to lay one of them off. Dave decided that the only fair way to decide who would go was to watch them work and lay off the first one to take a break.

Dave watched through the window when Jenny suddenly got a terrible headache and headed out to the water cooler to take an aspirin. Dave went up to her and steeled himself to deliver the bad news. "Jenny, I have to lay you or Jack off..." he started.

"Can't you jack off?" she answered. "I've got a fucking awful headache right now."

A woman is sitting in bed one night when she turns to her husband and announces that she's going to have plastic surgery and get her tits enlarged. "But you really don't need surgery to do that," says her husband.

"Oh yeah? How's that, then?" says his sceptical wife.

"All you have to do is rub some toilet paper between them," he replies.

"Oh yeah. And how exactly is that going to make them bigger?" says his missus, sarcastically.

"I don't know," he replies. "But it's certainly fucking worked for your arse."

M

A bloke goes over to his workmate's house and asks if Ian's home.

"He's popped out to the shops," says his wife. "But he won't be long. Come in and wait for him." Jim thanks her and goes in. He can't help noticing his mate's wife's fantastic tits.

"Your boobs are unbelievable," he blurts out. "I'll give you a hundred quid if you show me one of them." The wife is a bit taken aback, but could certainly use the hundred quid. So she whips one out. A hundred quid is handed over.

A couple of minutes pass and Jim's obsessing on how great those tits are. "I'll give you another hundred if you let me see the both of them together," he says. The wife knows this is easy money and so whips them both out. Again, the hundred quid are handed over.

Jim then says he can't wait any longer for Ian and leaves. A couple of minutes later Ian is back. "Jim was here," says the wife. "You only just missed him."

"I don't suppose he dropped off that two hundred quid he owes me, didn't he?" says Ian.

A teacher asks her class what their favourite letter is. One kid puts up his hand and says 'G'.

The teacher walks over to him and says, "Why is that, Angus?"

MY JOB AS THE MASCOT OF THE LOCAL NUDIST CAMP HAS COME A LITTLE UNSTUCK!

THAT INCIDENT WITH THE SUPER-GLUE HAS RUINED THE ONLY COSTUME WE HAD, PENNY.

PLEASE GIVE ME ANOTHER CHANCE, MS. STONE! I REALLY NEED THIS JOB.

THE ONLY OTHER POSITION WE HAVE AT THE MOMENT IS IN HOUSEKEEPING...

BUT ALL OUR STAFF HAVE TO BE NAKED WHILE THEY'RE OUT IN THE CAMP.

GULP!

I... I'LL GIVE IT A GO.

SO...

THIS IS YOUR BUGGY... YOU HAVE TO GO ROUND TO ALL THE CHALETS AND COLLECT THE BED LINEN AND TOWELS FOR WASHING.

OKAY, MS. STONE.

AT LEAST THERE'S NO WAY I CAN MESS THIS UP... I MEAN, EVERYONE HERE IS OKAY WITH NUDITY!

HEAVENS! EVERYONE BUT ME!

SCREEEEEEE!!!

OOPS! SORRY, MS. STONE!

BUT IT WAS ALL DUE TO A COCK-UP!

A few issues back we introduced you to the charms of Melissa Howe and now, we're delighted to announce, here's a chance to clock her twin sister Carla! They were both bunnies and appeared in a magazine that shall remain nameless here, but apparently – according to Carla, at least – life with the elderly proprietor of the mag was a bit of a bore. To be fair, he was knocking on 90 at the time, and there are probably only so many games of Beetle a nubile young thing like Carla can stand in one day! Perhaps if she wants a really fun time she could try our very own Ed instead – at least he can still stand unaided (before lunch, at least).

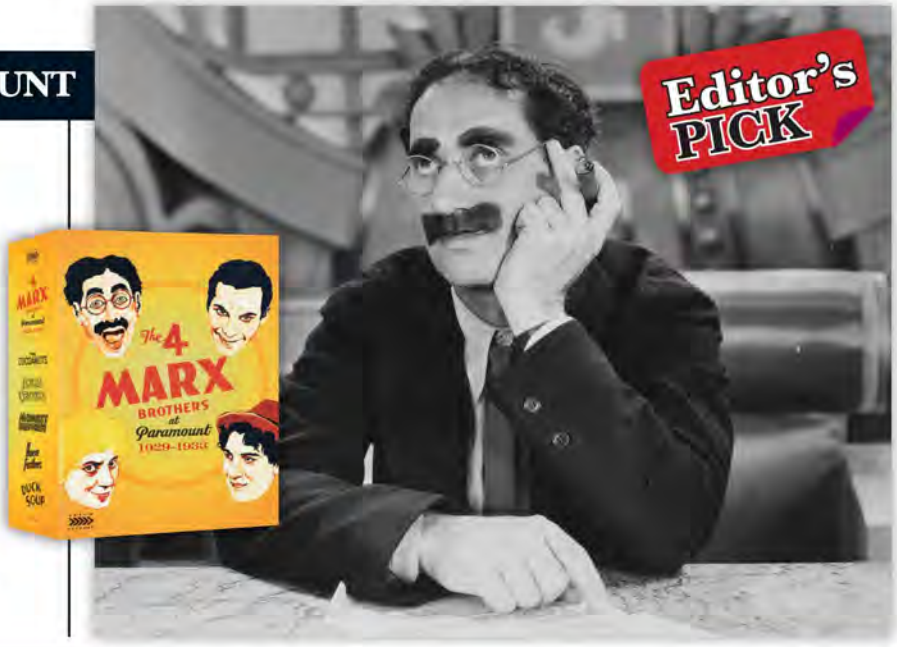
Scene from MAYFAIR

Three delvings back into the distant past this issue, with Tudor courtiers losing their heads, zany comedians frequently doing the same, and a 1920s twit losing his dignity.

MARX BROTHERS AT PARAMOUNT



Here's a slice of cinematic history and no mistake! The five Marx brothers (can you name them all now without reading on?) made their name on the vaudeville stage and by 1929 were sufficiently well-known to be offered a punt on the silver screen – although by this stage there were only four of them in the act, Gummo (get that one?) having left to pursue another career. The result was *The Coconauts* – a knockabout bit of fun set in a Florida hotel that did well enough at the box office to keep the gang in the game. Next up was *Animal Crackers*, followed by *Monkey Business, Horse Feathers* and *Duck Soup*, each one marking a step forward for the boys and their mastery of screen work as opposed to just stage work. After that the brothers left Paramount for RKO and Zeppo called it a day altogether. Restored for Blu-ray, these films are presented with loads of extras and, well, still bristle with invention after going on 90 years.

DECLINE AND FALL

This one was a welcome addition to the Beeb's TV schedules in the spring, and no sooner has it finished than here it is on DVD, just in case you were silly enough to miss it at the time. Based on the much-loved book by Evelyn Waugh, it stars Jack Whitehall as Paul Pennyfeather, a naive innocent who gets sent down from Oxford after getting caught up in a boorish prank by the idiotic Bullingdon Club (wonder whatever happened to that) and ends up taking a teaching position at a minor private school in deepest Wales. Yes, it all sounds rather dated, and you wonder why they didn't make a film of it in the 50s with Ian Carmichael in the lead, but there's no denying there are plenty of laughs to be had, not last from David Suchet's unctuous headmaster and his dissolute staff, who include the wonderful Douglas Hodge and no fewer than two *Taboo* alumni in Jason Watkins and Stephen Graham. Top hole!

A MAN FOR ALL SEASONS

Thanks to the *Wolf Hall* phenomenon interest in the court of Henry XIII is as high as it's ever been, but then it's always been pretty high, as this mega-cast film from 1966 demonstrates all too clearly. Rather that focussing on the shady fixer Thomas Cromwell of the *Wolf Hall* tale, its central character is Sir Thomas More, the great defender of Catholicism against Henry's assaults who paid the ultimate price for his religious convictions. Paul Scofield plays the part admirably, and everywhere you look on screen there are actors of the highest order – from Orson Welles no less as Cardinal Wolsey to Robert Shaw as Henry himself – and look out for John Hurt in his first major screen role. Fantastically realised by producer-director Fred Zinnemann, this 4k restoration from Eureka makes it look an absolute treat.

KATIE

Age: 22 **Vital Stats:** 32C-24-33 5'4"
Photographer: Dazglam

Unless I'm very much mistaken, Katie here is our fourth debutante this issue, which has got to be something of a record, hasn't it? And while she might only be a wee slip of a 22-year-old, she's certainly not too shy and retiring when it comes to being in front of the camera – something for which we have to thank an ex-boyfriend, apparently!

"Yes, he loved taking pictures of my pussy, so I'm quite used to showing it off. I used to text him clips of me wanking sometimes as well – I think I enjoyed it even more than he did, to be honest!"

If you like your scruff on the grimy side then pack up your raincoat and move along - we've got three pretty classy offerings lined up for you this issue!

True Love Films

MOMENTS

★★★★☆

CAST: Riley Reid, Ash Hollywood, Nikki Hearts, AJ Applegate.

According to the sleeve this glossy flick was filmed in the Anacapa, which I'd always thought was something people with sever allergies were prone to, but it turns out they're a series of islands off the California coast. You live and learn! Sure enough, to prove things we kick off with a helicopter (or possible drone) shot of a yacht anchored in a nice bay by aforesaid islands and then we cut to a scene of the rather lovely Riley cavorting on a beach with her fella. Ah, she must really love him, too, because they soon head home and Riley wastes little time in wedging his cock down her throat, sucking him off tenderly before he slots into her from behind for a very satisfactory looking coffee table shafting.

The quite possibly even comelier Ash's up next with another romantically-themed bunk-up. I'm not getting much plot coming through at this stage, but the sight of Ash taking a length certainly provides some compensation – and her fella ain't complaining either. And so it continues – brief cuts back to the yacht and two more classy boy-girl scenes before a big pink double-ender sees our nautical pair of AJ and Riley really floating each other's boat.

★★★★☆

Wicked Pictures

BROWN SUGAR

CAST: Anna Foxxx, anya Ivy, Ashley Pink, Chanell Heart, Yasmine DeLeon.

From what I've seen over what feels like a lifetime of reviewing bongo flicks, a high proportion of films out there that concentrate on black girls tend to be a bit, well, low rent. Don't ask me why – it just doesn't seem to be the case that the glossier studios dip their toes (among other things) into these waters that often – so this release from Wicked is especially welcome. Anna Foxxx kicks things off, writhing about deliciously before she's joined by her tattooed stud, who sets about snacking on her pussy before getting her to suck both his balls into her mouth. Then (this being Wicked) he rubbers up and sots into her dripping hole for an extremely eye-pleasing dicking. She looks a treat as she rides his pink pole in reverse cowgirl, and the sight of him splashing off over her pretty face will stay with me for some time. The comparatively sensual tone continues for the rest of the flick, too – each pairing looks genuinely into things, and the girls are all very cute indeed. Tasteful and well shot interracial scruff, for once.

Digital Playground

THE NEXT BIG STEP

CAST: Brandi Love, Alexis Fawx, Aria Alexander, Eliza Jane.

Family-themed flicks are all the rage these days – it must say something about the modern psyche that so many punters get off on the idea of step-this getting it on with step-that. It's the pool cleaning guy and the pizza delivery boy I really feel sorry for – they barely get a look in any more.

Anyway, it seems Alexis and Brandi have chucked their husbands so they can be a couple themselves, which means plenty of step-kids to muddy the waters. Alexis is doing the laundry (including the clothes she'd been wearing, which leaves her a bit exposed) when stepson Alex walks in to wash his bedding (poor lad's had a wet dream – no doubt thinking about his new Ma!) and the pair of them set to. She seems to have been missing some cock action because she really goes to town with his hefty tool. Brandi goes for her step-son in turn, before cute Eliza hooks up with British born Kieran Lee for a top-notch back-scuttling after she gets a dildo stuck up her bum! There's more to come, with some lesbiage finally arriving courtesy of Aria and a strap-on, in what turns out to be a very strokeworthy offering, all the silly family stuff notwithstanding.

PENNY

Age: 23 **Vital Stats:** 32F-26-36 5'5"
Photographer: BBM

Take care of the pennies, the old aphorism goes, and the pounds will look after themselves. Well, that's doubtless true – it's a principle the Ed sticks to ruthlessly when it's time to buy a round, after all – but here's one Penny we'd especially love to, ahem, 'take care of', although we can't guarantee there's be too many pounds before it was all over and done with...

"You cheeky buggers! If a fella fancies his chances of 'taking care' of me he'd better have a bit of staying power, otherwise he's out on his ear. Quite a few pounds wouldn't go amiss either!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend, William, is definitely what I'd call an 'outdoorsy' type of man. He's a keen hiker and there's nothing he likes better than getting up early at the weekend, packing a lunch and heading out for the day, away from the crowds. I have to admit I'd rather spend my days off curled up in bed watching old black and white movies with him, but as long as we get a good balance that keeps us both happy, it works out fine.

Last summer, the weather wasn't particularly fantastic at the weekends (or at least when we had nothing on), so William didn't get to go hiking all that much. It seemed to be at its fairest during the week, when we were both at work, much to his annoyance. However, there was one weekend in July, which was a scorcher and as the Saturday approached and the weather forecasters predicted the sunshine, I could tell that he was itching to get out on the moors. I was too, as I was feeling cooped up, what with being stuck in an office all week, and all the rain when I wasn't.

We got up early on the Saturday, packed some lunches and drove out through the glorious Cumbrian countryside to a place called Derwentwater, which William had been going on about hiking for a while.

It was a gorgeous day, and there weren't too many people, but the odd couple and loner en route, and we had a good morning, working up an appetite. It was quiet and still till and very beautiful.

By lunch, I was starving, and we laid out a blanket on the ground to sit and eat. The view was fantastic, and as we basked in the sunshine and stuffed our faces, I was really content.

We stayed there for about half an hour, just taking it all in. Then I pushed myself up and sat astride William. "Give us a snog, then," I said, smiling. At that point I wasn't after more than that, just a bit of quality kissing with my man, but it soon became a whole lot more!

William wrapped his arms around me and he kissed long and hard, barely coming up for air. It was like we were the only too people in the world.

"Feeling naughty?" William asked with a grin.

"Why, what do you have in mind?" I replied, cheekily.

""Nothing much. I was just thinking, the two of us, out here, alone, nobody about... Do you fancy a quickie?"

I laughed at first, but there was a look in William's eyes that said that if I went for it, we could be doing a lot more than walking for the next half hour.

> I FELT MY PUSSY GET MOISTER AS THE PLEASURE WELLED UP INSIDE ME.

"Oh, go on then," I said, half jokingly.

Looking around again to make sure there was nobody in sight, he started to kiss me again, more forcefully this time. His hands found their way underneath my T-shirt and bra, cold against my warm skin, making me gasp. They warmed up quickly, though, and soon he had one palm down the front of my trousers, pressing against my clit and getting my juices flowing.

I was sitting astride him side on, but I moved so that I was straddling him, our groins rubbing against each other. Even through our trousers, I could feel that he had a whopper of a hard-on going, and although it was weird to be doing it outside, I was really horny and kind of excited by the whole thing.

We kissed again, rubbing up against each other, and then I stood up and pulled William to his feet, moving behind a perfectly situated huge rock. I leaned against it, bracing myself, and William pulled my trousers and pants round my knees. It was a little undignified, but by that point I didn't care! I felt my pussy get moister as the pleasure welled up inside me.

"Please fuck me," I managed to say. It was obvious that this wasn't going to be a long sensual shag, so I wanted to be screwed good and hard. William was more than willing to oblige. He unzipped himself as I kept watch, and then his thick, meaty cock slapped against my pussy, wetted with my juices, and slid inside.

I don't think he'd ever filled me as much as he did then. Whether it was just the fact we were outside, or that we were just in the right frame of mind, his cock seemed bigger. I gasped again as he eased his full length inside me, and his hands held my hips, so he could rhythmically slam up into me.

I looked out over the landscape, and I thought I saw a couple of figures in the distance, walking the way we had just been. I figured we had maybe ten minutes before they were close to us and, although we could hide, I didn't want to get caught screwing outside. I'm not into that whole 'getting caught' fantasy.

I told William. "Well, I'd better fuck you faster, then," he said, and started to pump in and out of me. His cock plunging deep into my pussy, pulling out until the cockhead was nudging my lips, and then right back in again. He was like a piston, banging into me, and it felt amazing.

I pushed back, trying to get every inch of him inside me. I was close to coming, not even checking to see how close the walkers were getting. By this point I didn't really care, anyway. William fucked and fucked, reaching round to frig my clit as he banged away. Well, that did it and I reached orgasm, my pussy clenching against his cock. That seemed to set him off, and he spat his spunk deep inside me, lurching forwards against me, reaching out with an arm to prop himself against the rock.

We stood there like dogs, interlocked for a moment. I glanced up, the other hikers getting closer by the minute. William pulled out of me and zipped up quickly, whereas I had to drag my trousers and pants up, trying not to look like I'd just been fucked good and proper! We waited until they were momentarily hidden by the brow of a hill and scooted round to the front of the rock, sitting with the remains of our lunch. Neither of us could face walking off just yet.

"I GASPED AGAIN AS HE EASED HIS FULL LENGTH INSIDE ME, AND HIS HANDS HELD MY HIPS SO HE COULD RHYTHMICALLY SLAM UP INTO ME."

By the time the people caught up to where we were, we'd both managed to get some semblance of normality back, although William said I looked a bit flushed. We exchanged a bit of small talk with them, like you do when you're out on the hills, although I was a little distracted by the trails of William's come I could feel dribbling down the crack of my pussy and arse.

As it's been winter, we haven't had a chance to repeat the experience yet this year, but I think we're both looking forward to some 'hiking' fun together again this summer as soon as the weather's perked up enough!

I've always been a bit inhibited when it comes to sex. I'm 30 years old and I think I've got a nice enough body – I'm slim with an hour-glass figure, my boobs make a decent handful, and I've got long, jet-black hair reaching almost to my bum. But when it comes to sex I'm pretty inexperienced; for some reason men never seem to notice me.

I'm pretty fluent in French and German, and I can earn some useful extra money teaching in the evening. Anyway, a few weeks ago I had a call from a local businessman who said he'd heard I gave French lessons and wanted to get a grasp of the basics. We agreed terms and he arranged to come round the following evening.

He sounded very suave on the phone and his appearance was a perfect match:

> "I COULD FEEL HIS COCK PRESSING AGAINST MY BUM AS HE RIPPED MY BLOUSE OPEN."

he had short blond hair and a nice kind smile. Being alone together like this soon made me think about the erotic potential of the situation, and it wasn't just me who was getting a bit horny: after a while I couldn't help noticing that there was a bulge in his trousers and he'd got a hard-on! I was totally shocked, and inadvertently stopped what I was saying mid-sentence, finding myself gawping at his tenting crotch like an idiot with my mouth wide open!

"Sorry," he said, looking a little bashful.

"That's OK," I replied, blushing myself. My heart was pounding, my mouth went dry and for a moment I thought about jumping up and rushing from the room.

Charlie noticed the effect he'd had on me, and then, as though to put me at my ease, took hold of my hand and slowly drew it to his crotch.

I was absolutely mortified, but I was so

turned-on that I almost came there and then. I automatically started to stroke him through his trousers, and Charlie drew a sharp breath as I squeezed his heavy balls through his trousers.

"Oh God, Marie, come here," he said, and picked me up and sat me in his lap. He grabbed at my breasts as our tongues darted into one another's mouths, and I could feel his cock pressing hard against my bum as he ripped my blouse open and flipped my bra up over my sensitive breasts.

"Stop!" I said after a moment. Charlie looked at me inquiringly, wondering if he'd gone too far, but for possibly the first time in my life I'd lost my inhibitions and was ready for some serious sex. I sank to my knees, unfastened his trousers, and grasped Charlie's cock with both hands.

He seemed pretty big to me but I managed to get it into my mouth, and I sucked him hard and fast, wanking his shaft up and down with my long fingers and tickling him behind his bollocks.

All I could think about now was making Charlie come, and I sucked him frantically. It didn't take long, and oh my God did he squirt! His sperm flooded my mouth completely, half of it running out from between my lips and down over my fingers, there was so much of it!

After that I just wanted to be fucked and fucked hard, but I knew Charlie would need a little time to recover.

He stood me up, turned me around and bent me over the table, his sopping cock hanging semi-stiff between his legs. Next thing I knew he'd lifted up my skirt and was stroking my bum through my drenched knickers, and I was purring like a pussycat!

I felt really dirty but I loved it. All I could do was squeal as Charlie took to licking me out from behind, and when I felt him put his finger up my bum that was it, I came in his face as he poked it in and out.

After that he lunged at me, holding his resurgent manhood purposefully in his hand. Charlie absolutely hammered me, my whole body shaking with his relentless thrusting. It took less than a minute before I was coming again, wailing and screaming all manner of nonsense at the poor man. He must have thought I'd taken leave of my senses, and in truth I probably had!

Suddenly Charlie stopped pumping me and I felt him pull out of my pussy.

"What are you doing? Don't stop!" I screamed, turning round to grab his pulsating manhood.

"Let's go to bed, I want to see your face while I'm fucking you," he said. "You've got a lovely arse, but I want to see your face when I come."

It was a nice idea, but I didn't want to stop. As soon as we got to the bedroom I immediately got on my back and held my legs wide open. Charlie grabbed my ankles and pushed them right back so that they were almost behind my ears before he rammed his cock back up me. I screamed in ecstasy as he went for it, giving me the fucking of a lifetime. That blow-job I'd given him made him last an eternity, and I think he was relieved in more ways than one when he finally cried out that he was about to come.

"Oh Christ Marie, I'm coming, I'm… Ahhh!"

After all the spunk he'd just heaved down my throat I didn't think there'd be any left, but there was plenty. I felt his cock spasm inside me as jet after jet of searing mess flooded my insides. It felt wonderful as it ran out of my fanny and down my bum, and when he'd finished I sucked him clean, not wanting to waste a single drop.

We had sex another couple of times before he left for France, but I never got round to giving him a single lesson! He'd certainly given me one though, and I shan't forget it in a hurry. A few like those more and I think I'll be fluent!

AMANDA

Being told she had a 'womanly' figure was something 22-year-old Amanda Barrington had to get used to when she manned the reception desk of a hotel in the West Riding of Yorkshire. 'I thought they were hinting I was a little too well-padded,' says 38-24-36 Amanda, who hails originally from Birmingham. 'Then I went out with a local lad who explained that they were just saying how nicely rounded my figure was — though all he seemed interested in was my boobs!'

The subject is a sensitive one for Amanda. 'Until I was 15 I was a little podge,' she says. 'Then overnight everything seemed to go to my chest. I literally ballooned!' It made an immediate difference to her life. 'I was a secretary after I left school, but within a couple of weeks of starting my first two jobs I was moved onto reception. The trouble was I had a mental block about typing my own name. It always came out as "Amnada". I don't think that impressed my bosses!'

Reception work provided an outlet for her outgoing personality, hence the move to the hotel trade. 'I love chatting people up — not *just* the fellows!' But it was male interest in viewing more of that womanly figure that prompted her to model. 'Hope no one's disappointed,' she says. Amanda, you *must* be joking.

MAYFAIR Classic

I don't think I've ever stayed in a hotel in West Riding, but when I do, I'll be sure to comment on whether or not the receptionist has got a womanly figure – it's obviously the done thing up there. Mind you, if the receptionist looks anything like Amanda here I'll be on my best behaviour. Interestingly for fact fans, this blurb is believed to be the last time the word 'Podge' ever appeared in the magazine... until now, that is!

MAYFAIR

Vol.52 No.6

On Sale May 31st

If the sight of government ministers looking like they're just out of nappies isn't enough to remind you of the passing of time, then get your head around this – next month will see the publication of the half-dozenth *Mayfair* of 2017! At this rate it'll be bloody 2018 in a few more months, which is preposterous. Still, while time and tide are clearly waiting for no man, luckily for us (and you) there are a good few treats waiting for us in next month's issue – treats like MF fave Amy Green and the rapidly becoming MF fave Vanessa Scott!
